

PSYCHOSOMATICS INDEX to Volume 19, 1978

Subject Index

Adolescence

Editorial: Adolescents with cancer. Sinks LF. Dec 743.

Pregnant adolescents: Some psychosocial factors. Brandt CL, Kane FJ Jr, Moan CA. Dec 790.

Anorexia nervosa

Anorexia nervosa: Gauging treatment effectiveness. Wullemier F. Aug 497.

Obesity and anorexia nervosa. Bruch H. April 208.

Aphasia

Transient aphasia with lithium toxicity. Krakower JM. Jan 25.

Arthritis, rheumatoid

Multidisciplinary group therapy for rheumatoid arthritis. Schwartz LH, Marcus R, Condon R. May 289.

The rheumatoid arthritic personality: A psycho-diagnostic myth. Spergel P, Ehrlich GE, Glass D. Feb 79.

Rheumatology reaction pattern survey. Udelman HD, Udelman DL. Dec 776.

Asthma

Sources of dependency in asthmatic children. Meijer A. June 351.

Behavior therapy

Psychosomatic illness: A behavioral approach. Rhoads JM. Oct 601.

Biofeedback

See Cardiovascular disease.

Blepharospasm

Blepharospasm: Organic or functional? Cavenar JO Jr, Brantley IJ, Braasch E. Oct 623.

Cancer

Editorial: Adolescents with cancer. Sinks LF. Dec 743.

Effects of cancer on sexual activity. Wise TN. Dec 769.

Group counseling for cancer patients in a community hospital. Wood PE, Milligan M, Christ D, Liff D. Sept 555.

Cardiovascular disease

Biologic feedback and cardiovascular disease. Greenspan K. Nov 725.

Cardiovascular disease and ECT. Karliner W. April 238.

Ventricular premature beats, stress, and sudden death. DeSilva RA, Lown B. Nov 649.

Catatonia

Distinguishing catatonia: A case report. Solomon JG. May 299.

Chronic illness

Adaptation to chronic renal failure. Flannery JG. Dec 784.

Group therapy for chronic physically ill patients. Buchanan DC. July 425.

See also Pulmonary disease and Suicide.

Chronic pain

See Pain.

Colostomy

See GI disorders.

Compliance

See Drugs.

Consultation

Enhancing the value of psychiatric consultation. Henker FO III. July 394.

Psychiatric consultation: Resistance to continuing therapy. Nathan R. June 343.

Utilization of a psychiatric consultation service. Karasu TB. Aug 467.

See also Liaison psychiatry.

Cosmetic surgery

See Surgery.

Crisis intervention

See Drugs.

Death

The aged, the dying, the dead: Medical-legal considerations. Ficarra BJ. Jan 41.

Ventricular premature beats, stress, and sudden death. DeSilva RA, Lown B. Nov 649.

Dementia dialyctic

See Hemodialysis.

Depression

Depression: Its expression in physical illness. Dorfman W. Nov 702.

Irritable colon and depression. Heefner JD, Wilder RM, Wilson ID. Sept 540.

Diabetes

Juvenile diabetes: Impact on the child and family. Tarnow JD, Tomlinson N. Aug 487.

Dialysis

See Hemodialysis.

Diet

Dietary abuse in maintenance hemodialysis patients. Proci WR. Jan 16.

Disability

The concept of the disability process. Weinstein MR. Feb 94.

Drugs

The Amytal! interview: History and current uses. Naples M, Hackett TP. Feb 98.

Amytal interview (letter to editor). Mackenzie TB, Hackett TP. June 366.

Drug interactions involving psychotropic drugs. Shader RI, Ciraulo DA, Greenblatt DJ. Nov 671.

Drug therapy: Alliance and compliance. Guthiel TG. April 219.

Lithium and crisis intervention: Damping affective overload. Kline NA. July 401.

Plasma levels of neuroleptics vs clinical response. Man PL, Chen CH. March 151.

See also Toxic states.

Psychopharmacology and psychosomatic disorders. Ban TA. Dec 757.

Editorials

The Academy of Psychosomatic Medicine: The first 25 years. Dorfman W. Nov 645.

Adolescents with cancer. Sinks LF. Dec 743.

Liaison psychiatry in daily medical practice. Greenblatt M. Aug 453.

Psychiatry and the practice of medicine. Dorfman W. Jan 6.

Psychological sequelae to hemodialysis. Levy NB. June 329.

Psychosomatic therapy and the medical model of psychiatry. Masserman JH. July 391.

Psychosomatics and liaison psychiatry. Dorfman W. May 263.

Toward a theory of clinical science. Greenhill MH. Sept 519.

Education

The general practitioner: How much psychiatric education? Callen KE, Davis D. July 409.

Electroconvulsive therapy (ECT)

Cardiovascular disease and ECT. Karliner W. April 238.

ECT for patients with CNS disease. Karliner W. Dec 781.

Emotional disorders

Medical clinic patients with emotional disorders. Meyer E, Derogatis LR, Miller MJ, Park LC, Whitmarsh GA. Oct 611.

See also Life events.

Factitious disease

Factitious disease: An update. Fras I. Feb 119.

Family practice

What the family physician expects from the psychiatrist. Fisher JV. Sept 523.

Family therapy

The family and GI problems. Mauroner NL. March 137.

Psychosomatic disorders in children: Structural family therapy. Hodas GR, Liebman R. Nov 709.

General practice

See Education and Family practice.

Geriatrics

The aged, the dying, the dead: Medical-legal considerations. Ficarra BJ. Jan 41.

GI disorders

Biological adaptation, digestive disorders, and health services. Almy TP. April 200.

The digestive system in psychosomatic perspective. Wolf SG Jr. Nov 720.

Emotional aspects of colostomy and ileostomy. Dlin BM. April 214.

The family and GI problems. Mauroner NL. March 137.

Gastrointestinal disorders. Second Weiss-English Symposium. Almy TP, Bruch H, Dlin BM. April 199-218.

Irritable colon and depression. Heefner JD, Wilder RM, Wilson ID. Sept 540.

Obesity and anorexia nervosa. Bruch H. April 208.
